STAY AT HOME WORKBOOK

Hi Everyone,

I prepared this booklet for my students in this time of self quarantine. It was made quickly over night and is a random selection of sheets and activities.

Please forgive any errors or lack of continuity. I would like to offer this file complimentary for you and your students.

Please enjoy and follow me at www.remifamusic.com as I will be uploading many resources progressively in this time of quarantine.

Please stay safe, positive and remember we all need music to get through this.

Regards,
Dan
