

EASY THANKSGIVING RHYTHM MAZE

Name: _____

Grade: _____

To Do: Clap the patterns as you find your way to the pumpkin patch.

Activity 2: Use this as a center where pairs of students clap rhythms to lead each other through the maze.

The maze is a complex path of white lines on a black background. At the center of the maze is a small square containing an illustration of three pumpkins. Surrounding the maze are various musical notation patterns, including eighth notes, quarter notes, and rests, which are intended to be clapped as a guide through the maze.

ADVANCED THANKSGIVING RHYTHM MAZE

Name: _____

Grade: _____

To Do: The teacher will clap a rhythm. You have to find the rhythm and draw a line to it.

Activity 2: Use this as a center where pairs of students clap rhythms to lead each other through the maze.

The maze is a complex black-and-white path. At the center of the maze is a square containing an illustration of three pumpkins. Surrounding the maze are various musical notations, including eighth notes, quarter notes, and eighth rests, which represent different rhythms. The goal is to identify the correct path through the maze that matches the given rhythm.
